EXPERIENCE

Graphic Designer at the Metropolitan Opera

December 2023 – Present

Currently on the Metropolitan Opera's design team working on various projects in print design, digital design, illustration, photography and video editing / motion design

Includes the production of digital ads, streetside banners, print ephemera, promotional and branded email segments, OOH digital signage, social media content design, and merchandise

Freelance Designer for National Theatre in America

November 2025 – April 2026

Designed two versions of a membership sign-up flyer created to be handed out at various NTiA events.

Designed various materials and created identity for NTiA's upcoming Inter Alia Gala. Materials include digital invitations, and digital response forms; identity includes type and color palette selection as well as a designed Inter Alia wordmark.

Digital Experience / Social Media Intern at SFMOMA

June 2023 – August 2023

Main content creator for SFMOMA's TikTok profile; created a new video series that brought in six times the previous average amount of views

Translated the visual identity for an upcoming artist exhibition created by the design team into video form to be used on social media using motion graphics

Created the motion graphics, visual direction, and was main editor for a new video shorts series by the Social Media and Interpretative Media Teams

Graphic Designer at the Pagliarini Lab, WashU School of Medicine

June 2022 – May 2023

Designed / illustrated covers for the lab's article submissions to research magazines, created figures / graphical abstracts for the lab for articles published in ACS Chemical Biology, Nature Chemical Biology and Molecular Cell

Designed print material for the lab such as nametags, plaques, and the lab's publication wall adhering to the lab's current brand identity
